

Eagle Twin Air/Water Jackhammer Hose

JGB Enterprises is now offering a Twin Air/Water Jackhammer Hose Kit, in response to OSHA Standard 29 CFR 1926.1153, which aims to reduce occupational exposures to respirable crystalline silica in construction work. Lightweight, easy to use, and includes a water shut off valve & nozzle, this kit is your most complete and economical solution available.

A001-0121-KIT Includes:
