- Saves valuable yard space
- Prevents pipe & coupling damage
- Helps manage job site inventory
- Powder coat painted finish in yellow, blue or gray
- Heavy-duty fork sleeves
- 2500 lbs. load capacity
- Can stack three high
- 6" x 6" stacking targets
- Removable posts
- Breaks down when not in use

Yard space is always at a premium, and with product continually moving in and out, you need a storage system designed to handle this tough environment.

JGB's Pipe/Hose Storage Racks increase storage space, improve efficiency in transport, and prevent pipe damage. Racks are transportable and stackable, and have heavy-duty loading fork sleeves on all sides for easy loading onto a flatbed trailer.

Job site tough, JGB's Pipe/Hose Storage Racks will also decrease assembly and disassembly on long pipe runs.

FOOT PADS:

6" X 6" target leg pads provide a sturdy base for stacking.

FORK SLEEVES:

Two sets of fork sleeves allow for easy moving of racks.

REMOVEABLE POSTS:

Leg posts are removable for ease of shipping, storage and assembly.
